TO: Sacred Heart of Jesus Parishioners
FROM: Future Committee

Today you heard the introduction of the Futures Committee and about its formation. For the health of the future of our Parish this committee is requesting your input in this initial concept study and simple parish census. With your help and prayers we believe the future of Sacred Heart will be strong in the Spring Grove community.

The following brief survey is for all mass attendees, both parishioners and guests.

Please take time to answer these questions truthfully and to the best of your ability.

Completed forms may be dropped off in the collection basket, at the Parish office or in the mail. Thank you.
